Master Lease Agreement Information

If an agency is utilizing one of SPD Price Agreements as a vehicle to lease equipment,

the State Purchasing Agent and the applicable vendor must sign the Master Agreement. A
notation will then be made on the Internet posting of the applicable price agreement that
an approved and signed Master Lease Agreement with the company has been filed.

The SPA and the vendor also sign the Acknowledgment document if an assignment of the
lease to a third party is to occur. The agency and the vendor sign the “Lease Schedule”
with reference given to the previously signed and filed Master Agreement.

Example: If SPD went out to bid for a one-time lease of equipment on behalf of an
agency, award of the contract by SPD would be contingent upon signing of the Master
Agreement and Lease Schedule by the parties to the contract, the user agency and the
vendor. A copy of both signed documents would be added to the applicable procurement
file.

APPROVED FOR USE BY NEW MEXICO STATE AGENCIES AND LOCAL PUBLIC BODIES

THE PURPOSE OF THIS MASTER LEASE AGREEMENT IS TO SET FORTH UNIFORM GENERAL TERMS AND CONDITIONS UPON WHICH LESSOR SHALL LEASE TO LESSEE, AND LESSEE SHALL LEASE FROM LESSOR, Sharp Electronics Corporation. WHEN LEASE REFERS TO SOFTWARE LICENSED TO LESSEE IT SHALL BE UNDERSTOOD THAT SAID SOFTWARE SHALL CONTINUE TO BE OWNED BY LICENSOR AS MAY BE SET FORTH IN ANY APPLICABLE AND ATTACHED SOFTWARE LICENSE AGREEMENT. This lease agreement is entered into by and between:

The LESSOR with its principal address at

and

The LESSEE State of New Mexico

with its principal address at ________________________________________________.

This lease agreement is made and entered into within THE STATE OF NEW MEXICO where said leased Equipment shall be located and it shall become effective on, (Enter Effective Date) __________.

LESSOR AND LESSEE AGREE THAT ANY LEASE ENTERED INTO UNDER THE PROVISIONS OF THIS MASTER LEASE AGREEMENT IS A “TRUE LEASE” WITH AN OPTION TO PURCHASE EQUIPMENT AT FAIR MARKET VALUE, AND IS NOT AN INSTALLMENT OR FINANCING AGREEMENT.

1. COMMENCEMENT PROCEDURES: Subject to other terms and conditions contained in this Master Lease Agreement and the applicable Schedule(s) as may be attached hereto and made a part of this Master Lease Agreement, Lessee shall enter into Individual Leases (hereafter defined) with Lessor as follows:
(a) Execution of Schedule. Lessor and Lessee mutually agree to enter into a Lease by executing a Schedule in the Form of Exhibit A (the "Schedule") with such changes as Lessor and Lessee shall have agreed to as conclusively evidenced by their execution thereof. Each such Schedule shall specifically identify (by serial number or other identifying characteristics) the items of Equipment to be leased under such Schedule (other than items of system Software, which shall be deemed to be items of Software leased under the Schedule pursuant to which the related items of Equipment are leased). Each Schedule, when executed by both Lessor and Lessee, together with this Master Lease Agreement, shall constitute a separate and distinct lease ("Lease") which incorporates in full the terms and conditions of this Master Lease Agreement and which is, enforceable according to its terms. In the event of any conflict between the terms of this Master Lease Agreement and such Schedule, the provisions of the Master Lease Agreement shall govern.

(b) Acceptance; Initial Term of Lease(s). Lessee shall accept the Equipment subject to a Lease in accordance with Section 2. The Initial Term of each Lease shall begin on the Acceptance Date of the Equipment and shall continue for the period described in the applicable Schedule unless a Non-appropriation or other Cancellation provision shall have occurred. PURSUANT TO SECTION 13-1-150, NMSA 1978, the parties hereto agree that a multi-term contract (LEASE), in an amount under twenty-five thousand dollars ($25,000), may be entered into for any period of time deemed to be in the best interests of the state agency or a local public body not to exceed four years; provided that the term of the contract (LEASE) and conditions of renewal or extension, if any, are included in the specifications and funds are available for the first fiscal period at the time of contracting (LEASING). If the amount of the contract is twenty-five thousand dollars ($25,000) or more, the term shall not exceed eight years, including all extensions and renewals.

2. SELECTION; ACCEPTANCE OF EQUIPMENT. Lessee acknowledges that the Equipment is of a size, design, capacity and manufacturer selected by Lessee in its sole judgment and not in reliance on the advice or representations of Lessor and that the Manufacturer/Supplier is not an agent of Lessor. Lessee further acknowledges either (a) that Lessee has reviewed and approved any written purchase order, supply contract or purchase agreement ("Purchase Document"), covering the Equipment purchased from the Manufacturer/Supplier for lease to Lessee; or (b) that Lessor has informed or advised Lessee, in writing, either previously or by this Lease of the following: (i) the Identity of the Manufacturer/Supplier; (ii) that the Lessee may have rights under the Purchase Document; and (iii) that the Lessee may contact the Manufacturer/Supplier for a description of such rights that Lessee may have under the Purchase Document. For purposes of this Master Lease Agreement, unless a Purchase Document is preceded by a trial order, the equipment will be considered accepted upon installation of the equipment by Lessor, after the equipment successfully runs all required diagnostic routines, and the equipment is turned over to the Lessee for use. 6. CANCELLATION. Consistent with applicable New Mexico Laws, Lessee reserves the right to cancel this Lease at the end of any Fiscal Year, without penalty. Unless some unforeseen circumstance arises which Lessee shall document, Lessee will give Lessor 60 days prior written notice of such termination.

Notwithstanding anything in this Master Lease Agreement to the contrary, in the event no funds or insufficient funds are appropriated, budgeted by Lessee’s governing body or are otherwise unavailable in any Fiscal Year for the payment of Rent and other amounts due under any Lease, the Lease shall terminate on the last day of the Fiscal Period for which appropriations were received or other amounts are available to pay amounts due under the Lease without penalty or expense to Lessee. B) the Equipment shall remain personal property whether or not affixed to realty and shall not become a fixture or be made to become a part of any real property on which it is placed without Lessor’s prior written consent, and C) Lessee shall maintain the Equipment so that it may be removed from any building in which it is placed without damage to the building or the Equipment. Lessee may relocate any Equipment from the Equipment Location specified in the applicable Schedule to another of its location upon prior written notice to Lessor specifying the new Equipment Location, provided Lessee remains in possession and control of the Equipment. Only Lessor or its designee shall provide for the moving of any leased equipment covered by this Master Lease Agreement.

10. ASSIGNMENT OF MANUFACTURER/SUPPLIER WARRANTIES. To the extent permitted and so long as no Event of Default has occurred and is continuing, Lessor hereby assigns to Lessee, for the total
term of any Lease, all Equipment warranties provided by any Manufacturer/Supplier in the applicable Purchase Documents. Lessee shall have the right to take any action appropriate to enforce such warranties provided such enforcement is pursued in Lessee’s name and at its expense. e. Contractor shall furnish to the Lead State, Participating Entity, and, on request, the Purchasing Entity copies of certificates of all required insurance within thirty (30) calendar days of the execution of this Master Agreement, the execution of a Participating
Addendum, or the Purchase Order's effective date and prior to performing any work. The insurance certificate shall provide the following information: the name and address of the insured; name, address, telephone number and signature of the authorized agent; name of the insurance company (authorized to operate in all states); a description of coverage in detailed standard terminology (including policy period, policy number, limits of liability, exclusions and endorsements); and an acknowledgment of the requirement for notice of cancellation. Copies of renewal certificates of all required insurance shall be furnished within thirty (30) days after any renewal date. These certificates of insurance must expressly indicate compliance with each and every insurance requirement specified in this section. Failure to provide evidence of coverage may, at sole option of the Lead State, or any Participating Entity, result in this Master Agreement’s termination or the termination of any Participating Addendum.

f. Coverage and limits shall not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.

18. **Laws and Regulations**

   Any and all Products offered and furnished shall comply fully with all applicable Federal and State laws and regulations.

19. **License of Pre-Existing Intellectual Property**

   Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, unlimited license to publish, translate, reproduce, modify, deliver, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it (“Pre-existing Intellectual Property”). The license shall be subject to any third party rights in the Pre-existing Intellectual Property. Contractor shall obtain, at its own expense, on behalf of the Purchasing Entity, written consent of the owner for the licensed Pre-existing Intellectual Property.

20. **No Waiver of Sovereign Immunity**

   In no event shall this Master Agreement, any Participating Addendum or any contract or any Purchase Order issued thereunder, or any act of a Lead State, a Participating Entity, or a Purchasing Entity be a waiver of any form of defense or immunity, whether sovereign immunity, governmental immunity, immunity based on the Eleventh Amendment to the Constitution of the United States or otherwise, from any claim or from the jurisdiction of any court.

   This section applies to a claim brought against the Participating State only to the extent Congress has appropriately abrogated the Participating State’s sovereign immunity and is not consent by the Participating State to be sued in federal court. This section is also not a waiver by the Participating State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

21. **Ordering**

   a. Master Agreement number and purchase order numbers shall be clearly shown on all acknowledgments, shipping labels, packing slips, invoices, and on all correspondence.
b. The resulting Master Agreements permit Purchasing Entities to define project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to Purchasing Entity rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Agency may select the quote that it considers most advantageous, cost and other factors considered.

c. Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities’ rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

d. Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document compliance with the law of the Purchasing Entity.

e. Orders may be placed consistent with the terms of this Master Agreement during the term of the Master Agreement.

f. All Orders pursuant to this Master Agreement, at a minimum, shall include:

(1) The services or supplies being delivered;

(2) The place and requested time of delivery;

(3) A billing address;

(4) The name, phone number, and address of the Purchasing Entity representative;

(5) The price per hour or other pricing elements consistent with this Master Agreement and the contractor’s proposal;

(6) A ceiling amount of the order for services being ordered; and

(7) The Master Agreement identifier.

g. All communications concerning administration of Orders placed shall be furnished solely to the authorized purchasing agent within the Purchasing Entity’s purchasing office, or to such other individual identified in writing in the Order.

h. Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement. Contractor is reminded that financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.
Notwithstanding the expiration or termination of this Master Agreement, Contractor agrees to perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration or termination of this Master Agreement, or otherwise inconsistent with its terms. Orders from any separate indefinite quantity, task orders, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement. Placements made using the authority provided by this Contract will survive the Contract itself, per terms stated in Section 3.3.10 Survivability of the RFP #3091.

22. Participants

a. Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The WSCA-NASPO Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. purchase order or contract) used by the Purchasing Entity to place the Order.

b. Use of specific WSCA-NASPO cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized by individual state's statutes to use state contracts are subject to the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

c. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions.

d. WSCA-NASPO Cooperative Purchasing Organization LLC is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the WSCA/NASPO cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school
districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.

c. State Participating Addenda or other Participating Addenda shall not be construed to amend the terms of this Master Agreement between the Lead State and Contractor.

d. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Official of the state where the Participating Entity is located.

23. Payment

Payment for completion of a contract order is normally made within 30 days following the date the entire order is delivered or the date a correct invoice is received, whichever is later. After 45 days the Contractor may assess overdue account charges up to a maximum rate of one percent per month on the outstanding balance. Payments will be remitted by mail. Payments may be made via a State or political subdivision “Purchasing Card” with no additional charge.

24. Public Information

This Master Agreement and all related documents are subject to disclosure pursuant to the Purchasing Entity’s public information laws.

25. Records Administration and Audit

a. The Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Agreement and orders placed by Purchasing Entities under it to the extent and in such detail as shall adequately reflect performance and administration of payments and fees. Contractor shall permit the Lead State, a Participating Entity, a Purchasing Entity, the federal government (including its grant awarding entities and the U.S. Comptroller General), and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Agreement or orders placed by a Purchasing Entity under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of five (5) years following termination of this Agreement or final payment for any order placed by a Purchasing Entity against this Agreement, whichever is later, to assure compliance with the terms hereof or to evaluate performance hereunder.

b. Without limiting any other remedy available to any governmental entity, the Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or orders or underpayment of fees found as a result of the examination of the Contractor’s records.

c. The rights and obligations herein right exist in addition to any quality assurance obligation in the Master Agreement requiring the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.
26. Administrative Fees

a. The Contractor shall pay to the WSCA-NASPO Cooperative Purchasing Organization, or its assignee, a WSCA-NASPO Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than 60 days following the end of each calendar quarter. The WSCA-NASPO Administrative Fee shall be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The WSCA-NASPO Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

b. Additionally, some states may require an additional fee be paid directly to the state only on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the WSCA-NASPO Administrative Fee or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

27. WSCA-NASPO Summary and Detailed Usage Reports

In addition to other reports that may be required by this solicitation, the Contractor shall provide the following WSCA-NASPO reports.

a. Summary Sales Data. The Contractor shall submit quarterly sales reports directly to WSCA-NASPO using the WSCA-NASPO Quarterly Sales/Administrative Fee Reporting Tool found at http://www.naspo.org/WNCPO/Calculator.aspx. Any/all sales made under the contract shall be reported as cumulative totals by state. Even if Contractor experiences zero sales during a calendar quarter, a report is still required. Reports shall be due no later than 30 day following the end of the calendar quarter (as specified in the reporting tool).

b. Detailed Sales Data. Contractor shall also report detailed sales data by: (1) state; (2) entity/customer type, e.g. local government, higher education, K12, non-profit; (3) Purchasing Entity name; (4) Purchasing Entity bill-to and ship-to locations; (4) Purchasing Entity and Contractor Purchase Order identifier/number(s); (5) Purchase Order Type (e.g. sales order, credit, return, upgrade, determined by industry practices); (6) Purchase Order date; (7) Ship Date; (8) and line item description, including product number if used. The report shall be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and WSCA-NASPO Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports shall be delivered to the Lead State and to the WSCA-NASPO Cooperative Development Team electronically through a designated portal, email, CD-Rom, flash drive or other method as determined by the Lead State. Detailed sales data reports shall include sales information for all sales under Participating Addenda executed under this Master Agreement. The format for the detailed sales data report is in shown in Attachment P.
c. Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating Addendum. Report data for employees should be limited to ONLY the state and entity they are participating under the authority of (state and agency, city, county, school district, etc.) and the amount of sales. No personal identification numbers, e.g. names, addresses, social security numbers or any other numerical identifier, may be submitted with any report.

d. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead State and WSCA-NASPO shall have a perpetual, irrevocable, non-exclusive, royalty free, transferrable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

28. **Standard of Performance and Acceptance.**

Any standard of performance under this Master Agreement applies to all Products purchased under this Master Agreement, including any additional, replacement, or substitute Product(s) and any Product(s) which are modified by or with the written approval of Contractor after Acceptance by the Purchasing Entity. The Acceptance Testing period shall be thirty (30) calendar days or other time period identified in the solicitation or the Participating Addendum, starting from the day after the Product is delivered or, if installed, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing. If the Product does not meet the standard of performance during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met. Upon rejection, the Contractor will have fifteen (15) calendar days to cure the standard of performance issue(s). If after the cure period, the Product still has not met the standard of performance, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor. Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section. No Product shall be accepted and no charges shall be paid until the standard of performance is met. The warranty period will begin upon Acceptance.

29. **Warranty**

The Contractor warrants for a period of a minimum of 90 days from the date of Acceptance that: (a) the Product performs according to all specific claims that the Contractor made in its response to the solicitation, (b) the Product is suitable for the ordinary purposes for which such Product is used, (c) the Product is suitable for any special purposes identified in the solicitation or for which the Purchasing Entity has relied on the Contractor’s skill or judgment, (d) the Product is designed and manufactured in a commercially reasonable manner, and (e) the Product is free of defects. Upon breach of the warranty, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be inadequate, or fails of its essential purpose, the Contractor will refund the full amount of any payments that have been made. The rights and
remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys’ fees and costs.

30. System Failure or Damage

In the event of system failure or damage caused by the Contractor or its Product, the Contractor agrees to use its best efforts to restore or assist in restoring the system to operational capacity.

31. Title of Product

Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Product free and clear of all liens, encumbrances, or other security interests. Transfer of title to the Product shall include an irrevocable and perpetual license to use any Embedded Software in the Product. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license shall be at no additional cost or charge to either Purchasing Entity or Purchasing Entity’s transferee.

32. Waiver of Breach

Failure of the Lead State, Participating Entity, or Purchasing Entity to declare a default or enforce any rights and remedies shall not operate as a waiver under this Master Agreement or Participating Addendum. Any waiver by the Lead State, Participating Entity, or Purchasing Entity must be in writing. Waiver by the Lead State or Participating Entity of any default, right or remedy under this Master Agreement or Participating Addendum, or by Purchasing Entity with respect to any Purchase Order, or breach of any terms or requirements of this Master Agreement, a Participating Addendum, or Purchase Order shall not be construed or operate as a waiver of any subsequent default or breach of such term or requirement, or of any other term or requirement under this Master Agreement, Participating Addendum, or Purchase Order.

33. Assignment of Antitrust Rights

Contractor irrevocably assigns to a Participating Entity any claim for relief or cause of action which the Contractor now has or which may accrue to the Contractor in the future by reason of any violation of state or federal antitrust laws (15 U.S.C. § 1-15 or a Participating Entity’s state antitrust provisions), as now in effect and as may be amended from time to time, in connection with any goods or services provided to the Contractor for the purpose of carrying out the Contractor’s obligations under this Master Agreement or Participating Addendum, including, at a Participating Entity’s option, the right to control any such litigation on such claim for relief or cause of action.

34. Debarment

The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.
35. Governing Law and Venue
   
a. The procurement, evaluation, and award of the Master Agreement shall be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award shall be governed by the law of the state serving as Lead State (in most cases also the Lead State). The construction and effect of any Participating Addendum or Order against the Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity’s or Purchasing Entity’s State.
   
b. Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement shall be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum shall be in the Purchasing Entity’s State.
   
c. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

36. WSCA-NASPO eMarket Center
   
a. In July 2011, WSCA-NASPO entered into a multi-year agreement with SciQuest, Inc. whereby SciQuest will provide certain electronic catalog hosting and management services to enable eligible WSCA-NASPO entity’s customers to access a central online website to view and/or shop the goods and services available from existing WSCA-NASPO Cooperative Contracts. The central online website is referred to as the WSCA-NASPO eMarket Center Contractor shall either upload a hosted catalog into the eMarket Center or integrate a punchout site with the eMarket Center.
   
b. Supplier’s Interface with the eMarket Center. There is no cost charged by SciQuest to the Contractor for loading a hosted catalog or integrating a punchout site.
   
c. At a minimum, the Contractor agrees to the following:
      
      (1) Implementation Timeline: WSCA-NASPO eMarket Center Site Admin shall provide a written request to the Contractor to begin enablement process. The Contractor shall have fifteen (15) days from receipt of written request to work with WSCA-NASPO and SciQuest to set up an enablement schedule, at which time SciQuest’s technical documentation shall be provided to the Contractor. The schedule will include future calls and milestone dates related to test and go live dates. The contractor shall have a total of Ninety (90) days to deliver either a (1) hosted catalog or (2) punch-out catalog, from date of receipt of written request.
(2) WSCA-NASPO and SciQuest will work with the Contractor, to decide which of the catalog structures (either hosted or punch-out as further described below) shall be provided by the Contractor. **Whether hosted or punch-out, the catalog must be strictly limited to the Contractor's awarded contract offering (e.g., products and/or services not authorized through the resulting cooperative contract should not be viewable by WSCA-NASPO Participating Entity users).**

(a) Hosted Catalog. By providing a hosted catalog, the Contractor is providing a list of its awarded products/services and pricing in an electronic data file in a format acceptable to SciQuest, such as Tab Delimited Text files. In this scenario, the Contractor must submit updated electronic data within five days of approval from the Lead State of product updates to the eMarket Center for the Lead State's approval to maintain the most up-to-date version of its product/service offering under the cooperative contract in the eMarket Center.

(b) Punch-Out Catalog. By providing a punch-out catalog, the Contractor is providing its own online catalog, which must be capable of being integrated with the eMarket Center as a standard punch-in via Commerce eXtensible Markup Language (cXML). In this scenario, the Contractor shall validate that its online catalog is up-to-date by providing a written update as needed, to the Lead State stating they have audited the offered products/services and pricing listed on its online catalog. The site must also return detailed UNSPSC codes (as outlined in line 3) for each line item. Contractor also agrees to provide e-Quote functionality to facilitate volume discounts.

d. Revising Pricing and Product Offerings: Any revisions (whether an increase or decrease) to pricing or product/service offerings (new products, altered SKUs, etc.) must be pre-approved by the Lead State and shall be subject to any other applicable restrictions with respect to the frequency or amount of such revisions. However, no cooperative contract enabled in the eMarket Center may include price changes on a more frequent basis than once per month. The following conditions apply with respect to hosted catalogs:

(1) Updated pricing files are required by the 1st of the month and shall go into effect in the eMarket Center on the 1st day of the following month (i.e. file received on 1/01/13 would be effective in the eMarket Center on 2/01/13). Files received after the 1st of the month may be delayed up to a month (i.e. file received on 11/06/09 would be effective in the eMarket Center on 1/01/10).

(2) Lead State-approved price changes are not effective until implemented within the eMarket Center. Errors in the Contractor’s submitted pricing files will delay the implementation of the price changes in eMarket Center.

e. Supplier Network Requirements: Contractor shall join the SciQuest Supplier Network (SQSN) and shall use the SciQuest’s Supplier Portal to import the Contractor’s catalog and pricing, into the SciQuest system, and view reports on catalog spend and product/pricing freshness. The Contractor can receive orders through electronic delivery (cXML) or through low-tech options such as fax. More information about the SQSN can
be found at: www.scquest.com or call the SciQuest Supplier Network Services team at 800-233-1121.

f. Minimum Requirements: Whether the Contractor is providing a hosted catalog or a punch-out catalog, the Contractor agrees to meet the following requirements:

(1) Catalog must contain the most current pricing, including all applicable administrative fees and/or discounts, as well as the most up-to-date product/service offering the Contractor is authorized to provide in accordance with the cooperative contract; and

(2) The accuracy of the catalog must be maintained by Contractor throughout the duration of the cooperative contract between the Contractor and the Contract Administrator; and

(3) The Catalog must include a Lead State contract identification number; and

(4) The Catalog must include detailed product line item descriptions; and

(5) The Catalog must include pictures when possible; and

(6) The Catalog must include any additional WSCA-NASPO and Participating Addendum requirements. Although suppliers in the SQSN normally submit one (1) catalog, it is possible to have multiple contracts applicable to different WSCA-NASPO Participating Entities. For example, a supplier may have different pricing for state government agencies and Board of Regents institutions. Suppliers have the ability and responsibility to submit separate contract pricing for the same catalog if applicable. The system will deliver the appropriate contract pricing to the user viewing the catalog.

g. Order Acceptance Requirements: Contractor must be able to accept Purchase Orders via fax or eXtensible Markup Language (XML). The Contractor shall provide positive confirmation via phone or email within 24 hours of the Contractor’s receipt of the Purchase Order. If the Purchasing Order is received after 3 pm EST on the day before a weekend or holiday, the Contractor must provide positive confirmation via phone or email on the next business day.

h. UNSPSC Requirements: Contractor shall support use of the United Nations Standard Product and Services Code (UNSPSC). UNSPSC versions that must be adhered to are driven by SciQuest for the suppliers and are upgraded every year. WSCA-NASPO reserves the right to migrate to future versions of the UNSPSC and the Contractor shall be required to support the migration effort. All line items, goods or services provided under the resulting statewide contract must be associated to a UNSPSC code. All line items must be identified at the most detailed UNSPSC level indicated by segment, family, class and commodity. More information about the UNSPSC is available at: http://www.unspsc.com and http://www.unspsc.com/FAQs.asp#howdoesunspscwork.

i. Applicability: Contractor agrees that WSCA-NASPO controls which contracts appear in the eMarket Center and that WSCA-NASPO may elect at any time to remove any supplier’s offering from the eMarket Center.
j. The Lead State reserves the right to approve the pricing on the eMarket Center. This
catalog review right is solely for the benefit of the Lead State and Participating Entities,
and the review and approval shall not waive the requirement that products and services be
offered at prices (and approved fees) required by the Master Agreement.

k. Several WSCA-NASPO Participating Entities currently maintain separate SciQuest
eMarketplaces, these Participating Entities do enable certain WSCA-NASPO
Cooperative Contracts. In the event one of these entities elects to use this WSCA-
NASPO Cooperative Contract (available through the eMarket Center) but publish to their
own eMarketplace, the Contractor agrees to work in good faith with the entity and
WSCA-NASPO to implement the catalog. WSCA-NASPO does not anticipate that this
will require substantial additional efforts by the Contractor; however, the supplier agrees
to take commercially reasonable efforts to enable such separate SciQuest catalogs.
