Establish a Price Agreement based on GSA Contract # GS-27F-0034X for Furniture.

This Price Agreement may be extended if the GSA Contract is extended, upon approval of all parties.

Contract orders shall be issued only to vendor(s) shown under this Price Agreement. Prices shall be equal to or less than the price stipulated under the above listed GSA Contract.

Agencies must verify that items being purchased, rented, etc., are listed on the above referenced GSA. Only those items listed may be placed on contract orders under this Price Agreement. A complete copy of the GSA catalog must be retained by the using agency for auditing purposes. Trade-ins are not allowed under this Price Agreement.

Vendors under this Price Agreement are required to furnish a complete copy of the GSA catalog to the using agency upon request. Vendors must certify upon request that only those products, supplies or services accepted by the federal government are included in GSA price list.

State and local government catalogs are not acceptable.

Note: all terms and conditions established in the referenced GSA and by the New Mexico State Purchasing Agent shall prevail.

Executive Branch Agencies must enter into the proper contractual agreement to hire a contractor to have the contractor begin work.

The PROPER CONTRACTUAL AGREEMENT could be:

1) a written contract on the Department of Information Technology template if IT services or goods are being purchased;
2) a written contract on the Department of Finance and Administration’s Professional Services Agreement template if professional services are being purchased; or
3) Purchase Order (where no professional services, IT services or goods, or some general services are being purchased).

The Contractor agrees to provide a utilization report to the agreement administrator in accordance with the following schedule:
