3. Assignment:
   a. Neither the order, nor any interest therein, nor any claim thereunder, shall be assigned or transferred by the Vendor, except as set forth in Subparagraph 3b or as expressly authorized in writing by the State Purchasing Agent or his/her designee. No such assignment or transfer shall relieve the Vendor from the obligations and liabilities under this order.
   b. Vendor agrees that any and all claims for overcharge resulting from antitrust violations which are borne by the State as to goods, services, and materials purchased in connection with this bid are hereby assigned to the State.

4. State Furnished Property: State furnished property shall be returned to the State upon request in the same condition as received except for ordinary wear, tear and modifications ordered hereunder.

5. Discounts: Prompt payment discounts will not be considered in computing the low bid.

6. Inspection: Final inspection and acceptance will be made at the destination. Supplies rejected at the destination for nonconformance with specifications shall be removed at the Vendor's risk and expense, promptly after notice of rejection.

7. Inspection of Plant: The State Purchasing Agent or his/her designee may inspect, at any reasonable time, the part of the Contractor's, or any subcontractor's plant or place of business, which is related to the performance of this contract.

8. Commercial Warranty: The Vendor agrees that the supplies or services furnished under this order shall be covered by the most favorable commercial warranties the Vendor gives for such to any customer for such supplies or services. 9. Taxes: The unit price shall exclude all state taxes.

10. Packing, Shipping and Invoicing:
   a. The State's purchasing document number and the Vendor's name, user's name and location shall be shown on each packing and delivery ticket, package, bill of lading and other correspondence in connection with the shipments.    c. Invoices must be submitted to the using agency and NOT the State Purchasing Agent.

11. Default: The State reserves the right to cancel all or any part of this order without cost to the State, if the Vendor fails to meet the provisions of this order and, except as otherwise provided herein, to hold the Vendor liable for any excess cost occasioned by the State due to the Vendor's default. The Vendor shall not be liable for any excess costs if failure to perform the order arises out of causes beyond the control and without the fault or negligence of the Vendor, such causes include but are not restricted to, acts of God or the public enemy, acts of the State or Federal Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, unusually severe weather and defaults of subcontractors due to any of the above, unless the State shall determine that the supplies or services to be furnished by
the subcontractor were obtainable from other sources in sufficient time to permit the Vendor to meet the required delivery scheduled. The rights of the State provided in this paragraph shall not be exclusive and are in addition to any other rights now being provided by law or under this order.

12. **Non-Collusion:** In signing this bid the Vendor certifies he/she has not, either directly or indirectly, entered into action in restraint of free competitive bidding in connection with this offer submitted to the State Purchasing Agent or his/her designee.

17. **Workers’ Compensation:** The Contractor agrees to comply with state laws and rules pertaining to Workers’ Compensation benefits for its employees. If the Contractor fails to comply with Workers’ Compensation Act and applicable rules when required to do so, this Agreement may be terminated by the contracting agency.

18. **Submission of Bid:** Bids must be submitted in a sealed envelope with the bid number and opening date clearly indicated on the bottom left hand side of the front of the envelope. Failure to label bid envelope will necessitate the premature opening of the bid in order to identify the bid number.

19. **Contractor Personnel:** Personnel proposed in the Contractor’s written bid to the Procuring Agency are considered material to any work performed under this Price Agreement. Once a Purchase Order or contract has been executed, no changes of personnel will be made by the Contractor without prior written consent of the Procuring Agency. Replacement of any Contractor personnel, if approved, shall be with personnel of equal ability, experience, and qualifications. The Contractor will be responsible for any expenses incurred in familiarizing the replacement personnel to insure their being productive to the project immediately upon receiving assignments. Approval of replacement personnel shall not be unreasonably withheld. The Procuring Agency shall retain the right to request the removal of any of the Contractor’s personnel at any time.

20. **Subcontracting:** The Contractor shall not subcontract any portion of the Price Agreement without the prior written approval of the Procuring Agency. No such subcontracting shall relieve the Contractor from its obligations and liabilities under this Price Agreement, nor shall any subcontracting obligate payment from the Agency.

21. **Records and Audit:** The Contractor shall maintain detailed time and expenditure records that indicate the date, time, nature, and cost of services rendered during this Price Agreement’s term and effect, and retain them for a period of three (3) years from the date of final payment under this Price Agreement. The records shall be subject to inspection by the Agency, State Purchasing Division, Department of Finance and Administration, and for Information Technology contracts, State Chief Information Officer. The Agency shall have the right to audit billings, both before and after payment. Payment for services under this Price Agreement shall not foreclose the right of the Agency to recover excessive or illegal payments.

Specifications:

Establish a Statewide Price Agreement for the purchase of clothing, footwear and linens, primarily (though not exclusively) used in state-run correctional facilities, reintegration centers and hospitals.

Term:
The term of this Price Agreement shall be for one (1) year from date of award with the option to extend for a period of three (3) additional years, on a year-to-year basis, by mutual agreement of all parties and approval of the New Mexico State Purchasing Agent at the same price, terms and conditions. This Price Agreement shall not exceed four (4) years.

Tax Note:
Price shall not include state gross receipts tax or local option tax (es). Such tax or taxes shall be added at time of invoicing at current rate, and shown as a separate item to be paid by user.

Shipping Note:
Prepay freight and add to invoice as a separate item.

Escalation / Reduction Clause:
In the event of a product cost increase an escalation request will be reviewed by this office on an individual basis. Please be aware this measure is not intended to allow any increase in profit margin, only to compensate for an actual cost increase. Price decreases as well as increases shall apply. If vendor’s prices are reduced for any reason, users shall receive the benefit of such reductions. Price increases will not be retroactive to orders already in house or backorders. Orders will be filled at the price in effect on the date of receipt of the order by the vendor.

All bid requirements as issued by the New Mexico State Purchasing Agent shall apply. This Price Agreement is part of an overall program to minimize inventories at each institution. It is necessary for vendor(s) awarded this Price Agreement to furnish proof, subject to inspections by the New Mexico State Purchasing Agent that an adequate back-up inventory of the items to be shipped under this Price Agreement is maintained at the vendor’s place of business. This inventory is the property and responsibility of the vendor, including all costs in connection therewith.

Vendors located outside the state of New Mexico are required to provide a certified inventory list covering items ordered within thirty (30) days from date of award. Failure to comply will result in immediate cancellation of all awarded items.

Prompt delivery is requested. Prompt delivery is defined as: selected from stock. (No more than ten (10) business days may lapse between the time clothing and linen orders are placed and the time the goods are shipped by the vendor.)

Delivery will be considered a factor in the award of the Price Agreement. Failure to deliver per Price Agreement will be basis for disqualification of bid.

During the term of this Price Agreement, the supplier agrees to exchange clothing bought under this Price Agreement due to incorrect sizes or styles that are not ordered by various institutions.

The supplier will replace or issue credit to the institutions for items that are defective or if defects appear after a short period of wear, for example: seams, belts, boots.

Estimated annual usage, based on previous estimates, is shown under the quantity column and is provided for information only. Minimum quantities are not guaranteed.

Minimum quantity restrictions and non-firm prices will disqualify bid.
Vendor may be required to provide this office with a report as to the quantity of each bid item sold and the total dollar amount of sales made under this Price Agreement. Reports may be submitted at the end of the ninth (9th) month. Domestic products are requested for all items, it is specifically requested that linens be domestic quality.

IMPORTANT
All items must be top grade. Seconds and irregulars are not acceptable. At any time during the term of this Price Agreement, the vendor agrees to exchange unsatisfactory products or accept returns for credit at no additional cost to the user agency for the following:

- Damage
- Size discrepancy
- Brand discrepancy
- Non-top grade quality
- Style disallowed by institution

Vendor’s signature is certification that items bid meet or exceed specifications.

Shipping terms: FOB Destination

Samples:
If necessary (for evaluation purposes only), samples may be required prior to award of Price Agreement. The State Purchasing Division, in consultation with selected members of the stated institutions, shall examine the samples to determine compliance. If samples are required, vendors will be contacted and will be required to submit one sample of item, under separate cover, within ten (10) working days of sample request. Failure to submit sample(s) in allotted time will deem bid non-responsive.

If samples are requested, they must have manufacturer's label affixed - label must identify manufacturer and location of manufacture and material content. Samples must contain the following information securely attached to each sample: bid number, item number, manufacturer's name and lot number; also include the vendor’s name, telephone number and a contact person’s name for pick up. Indicate if you do not require return of sample on the label. Failure to label samples as specified may deem the vendor non-responsive.

If samples are requested they shall be shipped at vendor's expense. There shall be no cost to the State of New Mexico for shipping costs of samples.

Vendors will be responsible for the arrangement and payment of the return of samples and must make arrangements for pick-up within thirty (30) days after notification by the State Purchasing Division that samples’ evaluation is complete. The State of New Mexico will not be responsible for damage to samples resulting from evaluation and testing or the return shipment of any sample item.

Method of Award:
Award will be based on the following factors:

1. Lowest bid meeting specifications and/or bids will be awarded on per item basis; however, the State Purchasing Agent reserves the right to award this Price Agreement as is in the best interest of the State of New Mexico and its user agencies. Due to the great variety of products and the requirements of the user agencies throughout the State and to best serve the needs of all end-users; this bid may be awarded to multiple vendors. In effect, this method will allow user agencies the option of selecting the products that best meet their individual needs.

2. Compliance with bid instructions: The New Mexico State Purchasing Agent reserves the right to reject any or all bids.
Each institution/agency will place their own orders; and invoicing and payments are to be handled by each institution/agency.
