About the OADPR

The 2007 Governmental Dispute Prevention & Resolution Act (GDPRA) created the Office of Alternative Dispute Prevention and Resolution (OADPR) to promote early dispute resolution and positive collaboration among state employees and agencies through the development and support of effective and efficient programs and policies. Today, the Office operates and is known as the **Alternative Dispute Resolution (ADR) Bureau** under the Risk Management Division (RMD) of the General Services Department (GSD).
