I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of a Third-Party Administrator (TPA) for the New Mexico General Services Department Worker's Compensation Bureau of the Risk Management Division (RMD).

B. BACKGROUND INFORMATION

The Risk Management Division is responsible for the intake and administration of all Worker's Compensation claims for all State of New Mexico RMD pool participants. The State of New Mexico is struggling to hire and retain adjusters due to the inability to stay competitive with private industry regarding higher salaries and the ability to work from home. Due to this issue the State has decided to contract with a qualified third-party claims administrator (TPA) to take on the administration of the State's workers compensation claims processing.

C. SCOPE OF PROCUREMENT

The General Services Department is seeking a qualified Third-Party Administrator (TPA) "Contractor" to handle all State of New Mexico Worker's Compensation claims made by covered State employees. The Contractor must have an effective claims management system that is easy to access with enough information that is readily available when RMD asks for information. The TPA and its claims management system must be capable of interfacing with RMD's existing ClaimsVISION software for a two-way data exchange. The Contractor shall provide expertise in New Mexico Worker's Compensation laws in the State of New Mexico to include claim handling, intake, set up, initial and ongoing contact with the claimant, claim investigation and documentation, medical management, claim authority levels, legal management, quality control, data system and reporting. The Contractor shall adhere to the staff and caseload requirements which states that all Indemnity adjusters handling the State of New Mexico cases will maintain an open inventory at of 135 or below; Medical Only adjusters' caseload at best practices industry standard. The Contractor must have special investigations capabilities and must be willing to unbundle Special Investigations Unit ancillary services and are responsible for all Medicare reporting services requirements regarding State of New Mexico claims. The Contractor is responsible for examining each new claim when reported, and regularly thereafter, for subrogation potential. The Contractor must have the ability to offer daily, weekly, and monthly Automated Clearing House escrow analysis and provide data reporting to the Procuring Agency on a regular basis. The Contractor is responsible for following reserving practices for all claims. The Contractor is subject to audits and claim reviews up to four times per year by a third-party auditor. The initial contract term will be any combination but not to exceed four years total. We anticipate the resulting contract will be effective 07/01/2024.

This RFP will result in a single award. This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process

prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

ARTICLE 3 - COMPENSATION

- A. Compensation Schedule. Procuring Agency will pay Contractor according to the fixed price set for each Deliverable, per the schedule stated in the SOW, less retainage, if any, as identified in Paragraph D.
- B. Payment. The total compensation hereunder will not exceed [**Insert Dollar Amount**] [**CHOICE #1** - excluding New Mexico gross receipts tax. **CHOICE #2** - including New Mexico gross receipts tax.] This amount is the maximum total amount; it is not a guarantee that the work to be performed by Contractor, and the total of the corresponding payments that Procuring Agency pays to Contractor, will equal the maximum total amount. However, the Parties do not intend for Contractor to continue to deliver the Deliverables without compensation once the total compensation amount has been reached. Therefore, Contractor must notify Procuring Agency before the price of a Deliverable reaches the compensation amount for that Deliverable stated in the SOW. In no event will Procuring Agency pay Contractor for any Deliverables in an amount that exceeds the maximum total amount without this Agreement being amended in writing prior to Contractor's continued delivery of the Deliverables.

Procuring Agency will pay Contractor upon Procuring Agency's Acceptance of each Deliverable according to Article 4, below, and upon the receipt and Acceptance of

Contractor's detailed and certified Payment Invoice(s). Procuring Agency will forward its payments to Contractor's designated mailing address, stated in Article 28, below. In accordance with Section 13-1-158 NMSA 1978, Procuring Agency will tender payment to Contractor within thirty (30) days of the date of Procuring Agency's written certification of Acceptance. Contractor will be reimbursed by Procuring Agency for applicable New Mexico gross receipts taxes ("GRT"), excluding interest or penalties assessed on Contractor by the New Mexico Taxation and Revenue Department. Contractor is solely responsible for the payment of GRT for any money Contractor receives hereunder. Contractor must report its GRT, income tax and other tax obligations under Contractor's Federal and State tax identification number(s).

Contractor and its subcontractors, if any, will pay all Federal, State and local income and other taxes and government fees applicable to its operation(s) as well as the taxes and fees associated with Contractor's employment of its Employees. Contractor will require its subcontractors, if any, to hold Procuring Agency harmless from any responsibility for taxes, damages, fees and interest, if applicable, as well as any and all contributions required under Federal and/or state and local laws and regulations, including any other costs, transaction privilege taxes, unemployment compensation insurance, Social Security and Worker's Compensation.

D. Retainage- Procuring Agency will retain **twenty percent (20%)** of the fixed-price cost of each stated Deliverable as security for the Contractor's full performance of this Agreement. Procuring Agency will release all retained amounts to Contractor upon Procuring Agency's Acceptance of the final Deliverable.

E. Performance Bond. [Not Applicable. The Parties agree there is no Performance Bond.]

ARTICLE 4 – ACCEPTANCE

A. Submission. Upon Contractor's completion and delivery of each Deliverable stated in the SOW, Contractor will submit a Payment Invoice, together with an accurate description of the Deliverable, to Procuring Agency. Contractor will submit its Payment Invoices to Procuring Agency according to, or lower than, the Deliverable price stated in the SOW, less the retainage, if any, stated in Article 3(D), above. Contractor will not submit Payment Invoices to Procuring Agency for any amount(s) that exceed the amount(s) stated in the SOW absent Procuring Agency's prior written permission.

B. Acceptance. According to Section 13-1-158 NMSA 1978, the ELR will determine whether the Deliverable(s) meet(s) the specifications stated in the SOW. Procuring Agency will not pay for any Deliverable until the ELR Accepts the Deliverable in writing. In order to Accept a Deliverable, the ELR, in conjunction with the Project Manager, will perform a Quality Assurance Review of the Deliverable to determine, at a minimum, whether the Deliverable:

1. Meets or exceeds the Deliverable requirements stated in the SOW; and
2. Complies with the terms and conditions of RFP or Sole Source Agreement and
3. Meets or exceeds the generally accepted industry standards and procedures applicable to the Deliverable(s); and
4. Complies with all other of Contractor's requirements, duties and obligations hereunder.

In the event the ELR Accepts a Deliverable according to the ELR's Quality Assurance Review, the ELR will send Contractor the ELR's written Acceptance **no less than twenty (20) Business Days**] (the "Acceptance/Rejection Period") from the date the ELR receives each of Contractor's Payment Invoice(s).

C. Rejection. If the ELR fails to give Contractor notice of Procuring Agency's rejection of a Payment Invoice within the Acceptance/Rejection Period, the Deliverable, together with its corresponding Payment Invoice will be deemed to be accepted by Procuring Agency. In the event the ELR rejects the Deliverable following the ELR's Quality Assurance Review within the Acceptance/Rejection Period, the ELR will send Contractor a rejection notice together with a consolidated set of comments ("Comments") indicating the issues, unacceptable items, and/or requested revisions that Contractor should make or perform with respect to the rejected Deliverable. Upon Contractor's receipt of the ELR's rejection and Comments, Contractor will have ten (10) Business Days to resubmit the rejected Deliverable to Procuring Agency together with Contractor's revisions, corrections and/or modifications made according to the ELR's Comments. Upon receipt of Contractor's revised, corrected or modified ("Revised") Deliverable, the ELR will determine whether the Revised Deliverable is Acceptable by conducting a second Quality Assurance Review. The ELR will then issue a written determination of Procuring Agency's acceptance or rejection of the Revised Deliverable within fifteen (15) Business Days of Procuring Agency's receipt of the Revised Deliverable. In the event the ELR rejects the Revised Deliverable according to the second Quality Assurance Review, Contractor will be then required to provide a remediation plan that will include a list of Contractor's planned corrective measures and an associated timeline for Contractor to complete its remediation of the Deliverable. Contractor's remediation plan must be accepted by the ELR prior to Contractor's implementation of its Deliverable remediation plan. At the same time, Contractor will also be subject to pay Procuring Agency all of Procuring Agency's monetary damages associated with Contractor's failure to timely deliver an Acceptable Deliverable and must complete all remedies attributable to Contractor's late delivery of the Deliverable. In the event ELR rejects a Deliverable three times, Procuring Agency may declare Contractor to be in Default and may immediately terminate this Agreement.

Procuring Agency may then seek to recover from Contractor any and all damages and remedies available hereunder and otherwise available in law or equity.

ARTICLE 5 – TERM

THIS AGREEMENT WILL BECOME EFFECTIVE AND BINDING ONLY UPON THE SIGNATURE OF THE STATE PURCHASING DIVISION.

This Agreement will terminate [**Insert Termination Date**], unless terminated pursuant to Article 6, below. The term of this Agreement, including extensions and renewals, will not exceed four years, except as may otherwise be allowed by Section 13-1-150 NMSA 1978.

ARTICLE 6 – TERMINATION

- A. Grounds. Procuring Agency may terminate this Agreement at any time for convenience or cause. Contractor may only terminate this Agreement in the event Procuring Agency materially Defaults hereunder and subsequently fails to cure its Default within ninety (90) days from the date Contractor first declares Procuring Agency to be in Default.
- B. Appropriations. Procuring Agency may terminate this Agreement if required by changes in State or federal law, or so ordered by a court of competent jurisdiction, or due to insufficient appropriations made available by the United States Congress and/or the State Legislature concerning the Parties' performance hereunder. Procuring Agency's determination concerning whether sufficient appropriations are available will be deemed fully accepted by Contractor and will be final. In the event Procuring Agency terminates this Agreement pursuant to this subparagraph B, Procuring Agency will provide Contractor written notice of such termination at least fifteen (15) Business Days prior to the effective date of the termination.
- C. Notice: Opportunity to Cure.
 - 1. Except as otherwise provided in Paragraph (B), immediately above, Procuring Agency will give Contractor written notice of Procuring Agency's intended termination at least thirty (30) days prior to the effective termination date.

Contractor's termination notice to Procuring Agency will only take effect: (i) if Procuring Agency fails to commence curing Procuring Agency's material Default(s) within Contractor's thirty (30) day notice period, or (ii) in the event Procuring Agency cannot commence to cure its material Default(s) within Contractor's thirty (30) day notice period, Procuring Agency will issue a written notice to Contractor concerning: (a) Procuring Agency's intent to cure, and (b) Procuring Agency's commencement of the due diligence necessary to cure its material Default.

3. Notwithstanding the foregoing, Procuring Agency may terminate this Agreement immediately upon its written notice sent to Contractor: (i) in the event Contractor becomes patently unable to deliver the Deliverables, as Procuring Agency may, in its sole and exclusive discretion, determine; (ii) if, during the term of this Agreement, Contractor is suspended or debarred by the State Purchasing Agent; or (iii) this Agreement is terminated pursuant to Article 5, above.
- D. Liability. Except as otherwise expressly allowed or provided hereunder, Procuring Agency's sole liability upon termination by either Party will be to compensate Contractor for Contractor's Acceptable work performed prior to Contractor's receipt or issuance of a written termination notice; provided, however, that a notice of termination issued by either Party will not nullify or otherwise affect either Party's liability for pre-termination defaults hereunder. Contractor will submit a Payment Invoice to Procuring Agency for Contractor's Acceptable work within thirty (30) days of receiving or issuing a notice of termination.

THE PROVISIONS CONTAINED WITHIN THIS ARTICLE 6 ARE NOT EXCLUSIVE AND DO NOT ACT TO WAIVE PROCURING AGENCY'S OTHER LEGAL RIGHTS AND EQUITABLE REMEDIES ENGENDERED BY CONTRACTOR'S DEFAULT HEREUNDER.

ARTICLE 7 – TERMINATION MANAGEMENT

- A. Contractor's Duties. In the event this Agreement is terminated for any reason, or upon expiration, and in addition to all of Procuring Agency's other rights to receive Deliverables and other property hereunder, Contractor will:
1. Transfer, deliver, and/or make readily available to Procuring Agency every Deliverable, partially completed Deliverable, and any and all other property in which Procuring Agency has a financial interest, including but not limited to, any and all Procuring Agency Data and/or Procuring Agency Intellectual Property.

 6. Cooperate fully in the closeout or transition of Contractor's activities to facilitate Procuring Agency's administration continuity with respect to Procuring Agency's ongoing projects and programs.
 7. In the event this Agreement is terminated due to Contractor's Default, lack of performance and/or negligence or willful misconduct, which result(s) in funding

reduction(s) to Procuring Agency from any governmental or other source, Contractor will remit the full amount of the funding reduction(s) to Procuring Agency within thirty (30) days of the date of Procuring Agency's request to Contractor for remittance of the funding reduction(s);

8. Should this Agreement terminate due to Contractor's Default, Contractor will reimburse Procuring Agency for all costs arising from retaining one or more third party(ies) at potentially higher rates as well as for all other direct and indirect costs incurred by Procuring Agency following Contractor's Default up to the full amount of the total compensation stated in Article 3. B. above.
9. In the event this Agreement is terminated for any reason, or upon its expiration, Contractor will develop and submit for Procuring Agency's Acceptance a turnover plan ("Turnover Plan") at least ten (10) Business Days prior to the effective date of termination or expiration of this Agreement. Contractor's Turnover Plan will state Contractor's policies, procedures, and measures necessary to ensure: (1) the least disruption in the delivery of the Deliverables during Procuring Agency's transition of the Project to a third party; and (2) Contractor's cooperation with Procuring Agency and the third party with respect to Contractor's orderly transfer of all partial or completed Deliverables to Procuring Agency and the third party.

Contractor's Turnover Plan will consist of Contractor's orderly and timely transfer or return to Procuring Agency of any and all documents, files, Procuring Agency Data, the Software, the Source code, all other related software, documentation, the system turnover plan, IP Procuring Agency IP and other materials. 1. Retain ownership of all Deliverables, Procuring Agency's Intellectual Property, Contractor's other work products hereunder, and all related documentation created by Contractor hereunder; and
 2. Pay Contractor all amounts due for the Deliverables Accepted by Procuring Agency prior to the effective date of such termination or expiration.

ARTICLE 8 – INDEMNIFICATION

- A. General. - Contractor will defend, indemnify and hold harmless Procuring Agency, the State and their Employees free from all actions, proceedings, claims, demands, costs, damages, attorneys' fees and all other liabilities and expenses of any kind from any source which may arise out of Contractor's performance of this Agreement, which is caused by Contractor's or Contractor's Employees' negligent act(s) or failure(s) to act, during the

time when Contractor, and/or any of Contractor's Employees, has delivered or is delivering the Deliverables hereunder. In the event that any action, suit or proceeding related to the Deliverables is brought against Contractor and/or any of Contractor's Employees, Contractor will, as soon as practicable, but no later than two (2) Business Days after Contractor receives notice thereof, will notify, by certified mail, the legal counsel of Procuring Agency, the Risk Management Division of GSD, and DoIT.

- B. The indemnification obligation hereunder will not be limited by the existence of any insurance policy or by any limitation concerning the amount or type of damages, compensation or benefits payable by or for Contractor or any subcontractor and will survive the termination of this Agreement. Money due or to become due to Contractor hereunder may be retained by Procuring Agency, as necessary, to satisfy any outstanding claim that Procuring Agency may have against Contractor.

ARTICLE 9 – INTELLECTUAL PROPERTY (IP)

Ownership. Procuring Agency IP will solely belong and inure to Procuring Agency for Procuring Agency's sole and exclusive use and benefit. Procuring Agency will own and control all rights, title and interest to Procuring Agency IP on a worldwide basis. None of Contractor or Contractor's Employees, subcontractor(s), affiliates, and assigns will utilize, copy, re-compile, re-engineer, reverse engineer, create derivative works, or otherwise utilize Procuring Agency IP for Contractor's benefit or the benefit of any third party or for any purpose other than to fulfill Contractor's obligations hereunder. Contractor will not disclose Procuring Agency IP to any entity or person outside of Procuring Agency absent Procuring Agency's prior written permission.

Contractor will notify Procuring Agency, within ten (10) Business Days, of any IP created hereunder by Contractor, Contractor's Employees or Contractor's subcontractor(s), all of which IP will be considered Work For Hire and a part of Agency IP. Contractor, on behalf of itself and its Employees and subcontractor(s), will execute or will cause to have executed any and all written assignments and other document(s) necessary to ensure that ownership of such IP vests solely in Procuring Agency. Contractor will take no affirmative action(s) that might have the effect of vesting all or any portion of Procuring Agency IP in any person or entity other than Procuring Agency.

In the event, by judgment of a court of competent jurisdiction, Procuring Agency IP is deemed not to have been created or owned by Procuring Agency, Contractor will grant to Procuring Agency and the State, a perpetual, non-exclusive, royalty free license to reproduce, publish, use, copy and modify all or any portion of the disputed IP for Procuring Agency's and/or the State's continued use. Procuring Agency, together with DoIT, may extend to Contractor the privilege of utilizing all or any portion(s) of Procuring Agency IP through one or more intellectual property use license agreements that may be created separate and apart from this Agreement.

ARTICLE 10 – INTELLECTUAL PROPERTY LICENSE AND INDEMNIFICATION

- A. **Intellectual Property License.** For the purpose of this Agreement, Contractor hereby grants Procuring Agency a full, complete and non-transferable right and license to utilize any and all of Contractor's Related Pre-Owned IP for so long as Procuring Agency utilizes the Software, Source Code and other Deliverables. Contractor does not grant Procuring Agency any right or license to utilize Contractor's Unrelated Pre-Owned IP. If Contractor expects that any of Contractor's Pre-Owned IP will be used by Contractor to fulfill the scope of work under this Agreement, it is Contractor's responsibility to make the Procuring Agency aware of such Pre-Owned IP in order to eliminate questions of ownership of such IP. If Contractor does use Pre-Owned IP to fulfill the scope of work under this Agreement and identifies such, Contractor, at Procuring Agency's request, hereby grants Procuring Agency a permanent, full, complete, non-sublicensable, and non-transferable right and license to utilize any and all such IP.
- B. **Intellectual Property Indemnification.** At Contractor's sole expense, Contractor will defend Procuring Agency, the State and/or any other State entity against any claim brought or made by a third party alleging that any product, Service or Deliverable that Contractor provides hereunder infringes the third party's Intellectual Property (an "Infringement Claim"). Contractor will pay all costs, damages and attorney's fees and monetary damages that may be awarded as a result of such Infringement Claim(s) in addition to the amount of the judgment award(s). To qualify to receive Contractor's defense cost(s) and/or other payment(s) related to any Infringement Claim(s), Procuring Agency will:
1. Give Contractor written notice, within forty-eight (48) hours of Procuring Agency's receipt of an Infringement Claim;
 2. Work with Contractor to control the defense and settlement of the Infringement Claim(s); and
 3. Cooperate with Contractor, in a reasonable manner, to facilitate Contractor's defense or settlement of the Infringement Claim(s).
- C. **Procuring Agency's Rights.** In the event any product, Service or Deliverable that Contractor provides to Procuring Agency hereunder becomes, or in Contractor's opinion is likely to become, the subject of an Infringement Claim, Contractor will, at its sole cost and expense:
1. Provide Procuring Agency the right to continue using the product, Service or Deliverable and fully indemnify Procuring Agency against any and all third Infringement Claim(s) that may arise from Procuring Agency's use of the product, Service or Deliverable.
 2. Replace or modify the product, Service or Deliverable so that such product, Service or Deliverable becomes non-infringing; or
 3. Accept the return of the product, Service or Deliverable and refund an amount equal to the value of the returned product, Service or Deliverable, less the unpaid portion of the purchase price and any other amounts, which Procuring Agency owes to Contractor. Contractor's obligation will be void with respect to any product, Service or Deliverable modified by Procuring Agency to the extent the modification is the direct cause of the Infringement Claim.

ARTICLE 11 - WARRANTIES

- A. General. Contractor hereby expressly warrants the Deliverable(s) will be correct in all aspects according to the specifications stated in the SOW and all generally accepted industry standards (the combination of which comprise the “Applicable Specifications”). Contractors’ personnel replacements must be pre-approved in writing by Procuring Agency’s Project Manager. For all of Contractor’s personnel, Procuring Agency reserves the right to require submission of their resumes prior to receiving Procuring Agency’s approval. In the event Contractor reduces the number of its personnel assigned to the Project for any reason, Contractor will, within ten (10) Business Days of its personnel reduction, replace those persons with the same or a greater number of persons with equal or superior ability, experience, and qualifications, subject to Procuring Agency’s prior written approval. Procuring Agency, in its sole and exclusive determination, may extend the time Contractor is allowed beyond the required ten (10) Business Day period concerning Contractor’s replacement of its personnel. Contractor will include status reports to Procuring Agency concerning Contractor’s personnel replacement efforts as well as the impact upon the progress of the Project due to the absence of Contractor’s personnel. In addition, Contractor will make interim arrangements to assure that the progress of the Project remains unimpeded by the loss of any of Contractor’s personnel. Procuring Agency reserves the right to require a change in Contractor’s personnel in the event Contractor’s personnel are not, in Procuring Agency’s sole and exclusive determination, meeting Procuring Agency’s standards and/or expectations.

ARTICLE 13 – INDEPENDENT CONTRACTOR STATUS

- A. **Independent Contractor.** For the purposes of this Agreement, Contractor and Contractor’s Employees are independent Contractors who produce and deliver the Deliverables to Procuring Agency. Contractor’s Employees are neither employees nor agents of the State (“State Employees”). None of Contractor and Contractor’s Employees will accrue State benefits, including but not limited to, leave, retirement, insurance, bonding, use of state vehicles, or any other benefits that may be afforded to State Employees as a result of Contractor’s entering this Agreement. Contractor acknowledges and agrees that all sums received hereunder are either reportable as a separate business entity or are, in the event Contractor operates as a sole proprietorship, personally reportable by Contractor for income and GRT tax purposes as self-employment or business income and are reportable for self-employment tax.
- B. **Subject of Proceedings.** Contractor warrants that neither Contractor nor any of Contractor’s Employees are presently subject to any litigation or administrative proceeding before any court or administrative body which could adversely affect Contractor’s ability to perform hereunder; nor, to the best of Contractor’s knowledge, information or belief, is any such litigation or proceeding presently threatened against Contractor or any of Contractor’s Employees. In the event any such proceeding is initiated or threatened during the term of this Agreement, Contractor will immediately disclose such initiation or threat to Procuring Agency.

 2. Use a report format consistent with DoIT's IV&V Reporting Template and Guidelines located on the same DoIT website.

ARTICLE 16 – DEFAULT

In case of Contactor's Default, for any reason whatsoever, Procuring Agency and/or the State may procure the Deliverables from another source and hold Contractor responsible for any resulting excess costs and/or damages, including but not limited to, direct damages, indirect damages, consequential damages and special damages. Procuring Agency and/or the State may also seek all other available remedies against Contractor hereunder or which may be otherwise available under law or equity.

ARTICLE 17 – EQUITABLE REMEDIES

Contractor acknowledges that its failure to comply with any provision hereunder may cause Procuring Agency irrevocable harm and that a remedy at law for such a failure would constitute an inadequate remedy for Procuring Agency. Contractor consents to Procuring Agency's obtaining from a court of competent jurisdiction, specific performance, or injunction, or any other equitable relief in order to enforce such compliance. Procuring Agency's right to obtain equitable relief pursuant to this Agreement will be in addition to, and not in lieu of, any other remedy that Procuring Agency may have under applicable law, including, but not limited to, monetary damages.

ARTICLE 18 - LIABILITY

Contractor will be liable for damages arising out of injury to persons and/or damage to real, tangible or intangible property at any time, in any way, if and to the extent that the injury or damage was caused by or due to Contractor's fault or negligence or to a defect in Contractor's production or delivery of any Deliverable hereunder, whether Contractor produces or delivers the Deliverable in whole or part. Contractor will not be liable for damages arising out of, or caused by, alterations made by Procuring Agency to any equipment or its installation or for losses caused by Procuring Agency's fault or negligence. In the event Contractor's negligent or omitted production or delivery of any Deliverable results in a defect which is the direct or indirect cause of injury to any third party and/or employee of Procuring Agency or the State, nothing hereunder will act to limit Contractor's, or Contractor's Employees' liability to such third party and/or employee, or will act to limit any remedy that may exist under law or equity with respect to Contractor's and/or Contractor's Employees' negligent act or omission.

ARTICLE 19 – ASSIGNMENT

Contractor will not assign or transfer any of Contractor's interests, rights, responsibilities, duties, obligations and/or liabilities hereunder or assign any of Contractor's claims for money due or that might become due hereunder absent Procuring Agency's prior written approval.

ARTICLE 20 – SUBCONTRACTING

- A. General Provision. Contractor will not subcontract or assign any portion of this Agreement or the SOW to any subcontractor absent Procuring Agency's prior written approval. No such subcontracting or assignment will relieve Contractor of its direct and indirect responsibilities, duties, obligations and/or liabilities hereunder, nor will any such subcontracting trigger or obligate Procuring Agency to make a payment, either directly or indirectly, to any subcontractor.

- B. Responsibility for Subcontractors to Maintain Confidentiality. Contractor will not disclose any of Procuring Agency's or State's Confidential Information to a subcontractor absent Procuring Agency's prior written consent. Each subcontractor will agree in a written form pre-approved by Procuring Agency to protect and keep confidential any and all Confidential Information in the same manner required of Contractor stated in Article 22, below.

ARTICLE 21 – RELEASE

Contractor's Acceptance of Procuring Agency's final payment made hereunder will operate as Contractor's full release of Procuring Agency, the State, and their officers, employees and agents from any and all liabilities, claims and obligations whatsoever arising hereunder.

ARTICLE 22 – CONFIDENTIALITY

Contractor will protect and keep confidential any and all Confidential Information that Procuring Agency provides to Contractor as well as any and all Confidential Information that Contractor develops based upon information provided by Procuring Agency during Contractor's performance hereunder. Upon termination of this Agreement, Contractor will: (a) deliver all Confidential Information in its possession to Procuring Agency within thirty (30) Business Days of the termination, and (b) Contractor will protect and will not make available or provide Confidential Information to any third party absent Procuring Agency's prior written approval for a period of five (5) years commencing on the termination or expiration date. Contractor acknowledges that Contractor's failure: (a) to deliver such Confidential Information to Procuring Agency, or (b) to protect and keep Confidential Information secret may result in Procuring Agency's seeking to obtain direct, special and/or incidental damages from Contractor.

ARTICLE 23 –CONFLICT OF INTEREST

Contractor warrants that it presently has no interest and will not acquire any interest, direct or indirect, which would conflict in any manner or degree with Contractor's delivery of the Deliverables required hereunder. Contractor certifies that it has followed the requirements of the Governmental Conduct Act, Sections 10-16-1 through 10-16-18, NMSA 1978, regarding contracting with a public officer, state employee or former state employee.

ARTICLE 24 - RECORDS AND AUDIT

Contractor will maintain detailed time and expenditure records, which indicate the date, time, nature and cost of the Deliverables rendered during this Agreement's term and will retain those records for a period of a **minimum is three (3) years** from the date of Procuring Agency's final payment to Contractor hereunder. Contractor's records will be subject to inspection by Procuring Agency, DoIT's CIO, NMSPA, GSD, Department of Finance Authority and the New Mexico State Auditor's Office. Procuring Agency will have the right to audit Contractor's billings prior and subsequent to each of Procuring Agency's payments made to Contractor. Procuring Agency's payment for the Deliverables hereunder will not foreclose Procuring Agency's right to recover Procuring Agency's payments made to Contractor or its affiliates against Contractor's excessive or illegal Payment Invoices, if any.

ARTICLE 25 - AMENDMENT

This Agreement will not be altered, changed, or amended except by an instrument in writing executed by the Parties. No amendment will be effective or binding unless approved by all of the State's and Contractor's approval authorities. Amendments are required for the following:

1. Deliverable requirements stated in the SOW.
2. Due Date of any Deliverable stated in the SOW only if due date change requires extension of Article 5 termination date.

4. Agreement Compensation, pursuant to Article 3; or
5. Agreement termination, pursuant to Article 5.

ARTICLE 26 – NEW MEXICO EMPLOYEES HEALTH COVERAGE

- B. Contractor will maintain a record of the number of employees who have (a) accepted health insurance; (b) declined health insurance due to other health insurance coverage already in place; or (c) declined health insurance for other reasons. ARTICLE 27 – SEVERABILITY, MERGER, SCOPE, ORDER OF PRECEDENCE

- A. Severability. The provisions of this Agreement are severable, and in the event for any reason, a clause, sentence or paragraph of this Agreement is determined to be invalid by a court, agency or commission having jurisdiction over the subject matter hereof, such invalidity will not affect the other provisions of this Agreement, which will be given effect absent the invalid provision.

- B. Merger/Scope/Order. This Agreement incorporates any and all agreements, covenants and understandings between the Parties concerning the subject matter hereof, and all such agreements, covenants and understanding have been merged into this Agreement. No prior agreement or understanding, verbal or otherwise, of the Parties or their agents or assignees will be valid or enforceable unless stated in this Agreement.
